SUMMARY

Entry-level software developer with experience in mobile app and web design. Proficient in Python, JavaScript, CSS, HTML and Bootstrap. Enthusiastic about leveraging technology to create innovative solutions that improve user experiences. Seeking an opportunity to apply and further develop these skills in a developer role.

SKILLS

- Programming languages: C++, Python, JavaScript, HTML, CSS
- Frameworks: Bootstrap
- Tools: GitHub, Google Cloud Storage
- Operating systems: Windows, macOS, Linux

EXPERIENCE

Skin Contact, New York, NY
Consultant

7/2022 – Current

- Implemented a data maintenance and inventory system that improved tracking of sales and streamlined accounting processes, resulting in more accurate financial reporting and better-informed business decisions
- Designed a mobile-friendly version of the published PDF version of the menu
- Created a program converting the PDF menu into HTML based on a Bootstrap template
- Automated the process of publishing the mobile-friendly menu which eased the workload for the owners and improved customer experience

HoneydewLimeade.com
Developer, Personal Website

6/2022 - Current

- Developed and maintained personal website using HTML, JavaScript, and CSS
- Designed and implemented a responsive, mobile-friendly layout
- Implemented various interactive features using JavaScript

Skin Contact, New York, NY
Server

7/2022 – Current

- Guided customers through a rotating wine list with over 120 labels, increasing their confidence in ordering and resulting in an elevated experience
- Relayed in familiar terms to guests the diversity of wines on our menu, demystifying the unique flavor profiles of natural wine

The Dinex Group, New York, NY
Director of Cocktails

2/2022 – 5/2022

- Developed new bar programs with an emphasis on cocktail experiences
- Created systems and standards for existing bar and cocktail programs

Convive Wine & Spirits, New York, NY
Service Coordinator

4/2020 – 8/2020

- Oversaw the retail shop maintaining positive customer relations
- Developed and implemented new logistics and delivery systems that increased route efficiency, resulting in faster delivery times and improved customer satisfaction

ZZ's Clam Bar, New York, NY
Head Bartender

9/2017 – 3/2020

- Created original cocktails in line with the mid-century Cuban theme
- Led other bartenders in the creative direction of the cocktail program
- Hosted events regularly for Major Food Group's flagship Carbone

Pouring Ribbons, New York, NY
Owner, Manager, Bartender, Server

9/2012 – 7/2014

- Trained staff for bartending, serving, hosting, and management
- Became a recognized expert on Chartreuse
- Co-created and executed the bar's concept resulting in TimeOut New York's Best New Cocktail Bar for 2013
